

KELL GRADE SCHOOL PTO

The Kell Grade School PTO provides financial support of our education program, sport programs and activities. This support is made possible through operating the concession stand during extra-curricular activities and creative fund-raising. Room parents help organize these activities and seek support of other parents in our community. Our school appreciates the efforts and hard work our parents put into the PTO. The PTO is always on the lookout for more parents to get involved. We have monthly meetings that are posted in the school's monthly calendar. Anyone is welcome to attend. In fact, your input would be appreciated.

President - Vickie McClain
